

Thank you for reading on my behalf to the great Minnesotans at Caucus tonight.

My Fellow Minnesotan,

I am Tom Weiler and I am running to be your Senator for the next 6 years. I wish I could be with you at your caucus tonight and I hope to meet and chat with you on the campaign trail this year.

“Great moments are born from great opportunity.” Herb Brooks in the pregame speech in the epic USA vs USSR Olympic hockey game.

Our moment is November 3rd, 2026 – winning the United States Senate seat for all Minnesotans who want to Chart a New Course for our great state and put an end to 1-Party Democrat Rule. Our opportunity to make that moment a reality starts right now at this Caucus. Please volunteer to become a delegate and allow me the opportunity to earn your support and vote at our Republican Party State Convention.

We Minnesotans, and the nation, have awoken to the state of our state; the fraud, the chaos, the horrible, divisive leadership of Governor Walz, Angie Craig, Peggy Flanagan and others. The time to act is now. Please take a moment to visit www.tomweiler2026.com and follow us on X, Facebook, and Instagram. I discuss our priorities, solicit your feedback, and layout my problem-solving approach to fix problems in D.C. to provide real results to Minnesotans.

I love Minnesota, I love our country, and I believe Minnesotans deserve much more from our elected leaders. I will serve. I will lead. I will constantly strive to guide our state and our country forward in peace, strength and prosperity. I will help Chart a New Course for Minnesota to once again be The Star of the North.

For America, For Minnesota,

Tom
