

A Message from Phillip C. Parrish: Patriots, It's Time to Rise Up and Take Back Minnesota at the Caucuses

Dear Fellow Republicans and Patriots at the February 3, 2026 Precinct Caucuses,

This is Phillip C. Parrish speaking—retired U.S. Navy Lieutenant Commander with 21 years in intelligence hunting real threats, fraud whistleblower who's exposed the billions looted in daycare scams, election integrity fights, and the massive COVID relief theft that's rocked our state. I'm a farmer, father, teacher, lifelong Minnesotan, and a man of deep faith in Jesus Christ, called to serve with integrity and expose the works of darkness (Ephesians 5:11). I'm running for Governor in 2026 to dismantle the DFL crime syndicate—the political insiders, nonprofit grifters, corporate enablers, and street-level operators who've turned Minnesota into their personal ATM while our families pay the price.

Right now, Minnesotans are boiling over. The headlines scream it: billions stolen from our safety net programs under Walz's watch, turning our generous system into a fraud magnet. Outrage is everywhere—taxpayers furious about squandered surpluses, skyrocketing taxes, and no accountability. Crime is up, neighborhoods feel less safe with sanctuary policies shielding violent felons, and our schools are failing—half our kids can't read or do math at grade level while bureaucrats push ideology over basics. Immigration chaos, welfare abuse, and economic pain from high gas prices, property tax spikes, and job stagnation have people demanding real change. This isn't abstract—it's your hard-earned money vanishing into luxury homes, foreign properties, and scams while you struggle to fill the tank or feed your family.

I'm not a career politician; I'm a proven fighter who's stared down corruption head-on. As your Governor starting January 2027, my Bold 100-Day Plan delivers the decisive action Minnesotans crave—no excuses, no delays.

Top Priorities: What Matters Most to You

- **Crush Fraud and Cut Taxes to Put Money Back in Your Pocket** – Within 10 days, direct Revenue to review and slash taxes—no tax on tips for servers, no tax on Social Security for retirees, 5-cent/gallon gas cut saving rural drivers real cash. Gut wasteful fees and target \$50M+ in savings by Day 100. End the overreach strangling farmers and small businesses with a 90-day reg moratorium (Day 15). Your dollars belong to you, not the grifters.

- **Restore Safety and End Sanctuary Nonsense** – Day 7: Rescind sanctuary policies, cooperate with ICE to deport violent felons (murder, assault). Appoint a bipartisan safety task force (Day 30) for real community policing and officer recruitment. Minnesotans want safe streets—time to stop protecting criminals over citizens.
- **Empower Parents and Fix Failing Schools** – Day 5: Executive order ensuring only biological females in girls’ sports, locker rooms, restrooms—defend it in court. Repeal Walz’s ideological Due North plan (Day 20), replace with project-based learning on math, reading, science, critical thinking. Day 25: School Choice Task Force to make dollars follow the child, including private options, prioritizing low-income families. Parents know best—not bureaucrats.
- **Deliver Real Results in the First 100 Days** – Day 60 budget proposal: 5% income tax cut, rural infrastructure funding, school choice pilot. If the legislature drags, special session by Day 80 for property tax relief. Appoint efficient commissioners focused on transparency and merit—no more DEI waste (axed Day 10).

This plan isn’t pie-in-the-sky—it’s a targeted strike on the rot: fraud, high taxes, unsafe streets, failing education. Minnesotans are fed up with division, waste, and excuses. We want prosperity, freedom, safety, and fairness rooted in common sense and moral principles.

If you truly want to end this nightmare and reclaim our constitutional republic—endorse me tonight. Become a delegate. Step up to the BPOU and beyond. Your voice at caucus elects delegates, shapes the platform, and sets the path to endorsement. Silence lets the syndicate win. Show up at 7:00 p.m. on February 3—find your location at caucusfinder.sos.mn.gov—and fight with me.
