

Dear Patriot,

I am running for the United States Senate to Save America.

I am asking you to join me in this fight by **attending your Precinct Caucus on February 3, 2026.**

America is fighting a Civil War. Call it what it really is: *a Progressive Globalist attack on the greatest country ever created by the PEOPLE.* The war we need to win first is not the war with the Democrats.

Those who believe in the **America First** movement know that we must win the war between the principled constitutional Republicans and the 'move the Party to the middle' marauders.

This is a political war we must win because if we do not win, our children and grandchildren will be fighting a military war against the not so new world order embraced by the UN.

The Republican Party has always been the Party of the People. Conservative Minnesotans are the Union soldiers, fighting for the very soul of our state and our country, in battle after battle.

Those already fighting this war know we will not save Minnesota or the United States if we do not save the Republican Party from the grifters who will trade your freedom for a contribution to their bank account.

**Thankfully, we have the power to turn the tide in this civil war. The question we all must ask is are we willing to exercise that power?**

On July 2, 1863, 262 members of the First Minnesota Volunteer Infantry Regiment changed the course of history at the Battle of Gettysburg. These brave soldiers charged into the fight against more than 1,500 enemy soldiers, with one goal - hold the line to ensure the Union troops had time get into position to stop the confederate army.

215 of those 262 soldiers sacrificed their lives to save this country from irreparable division. Those men were fearless patriots. Are we fearless patriots? What will you do to defend this country?

**On February 3, 2026, every conservative Minnesotan must decide whether to honor those Minnesota heroes by engaging in the political war raging across our state.**

**On February 3, every Republican has the right and a civic duty to attend their Precinct Caucus and to vote to elect the people who will form the administration of the Republican Party of Minnesota for the next 2 years.**

I am asking every person in Minnesota who believes we must do everything possible to protect Minnesota and the United States from the progressive left and the

globalist middle to commit to attending their precinct caucus on February 3, 2026.

There will likely be people who will tell you, “Don’t go”. They may say “It’s a waste of your Time” or “It won’t matter”. They may advise you to walk away from politics completely. These people are either misguided or corrupted.

**We must be very clear: You and every pro-liberty, pro-America patriot MUST attend their Precinct Caucus on Tuesday, February 3, 2026.**

Better yet: Run to become a delegate to your local Republican Party organization.

By becoming a delegate at your precinct caucus, you will have the ability to influence the selection of leaders of the Party at every level. Can you walk away from this duty? Of course you can. Should you abandon your duty to your family, your community and our state? Of course not!

Patriots – it is time to put an end to the attacks on the principles we know formed this country.

---

Here is your simple path to help save the Republican Party, Minnesota and the United States:

**1. Attend your precinct caucus on February 3, 2026**

(Time Commitment: 3 hours) Get there at 6:30pm. Click <https://caucusfinder.sos.mn.gov/> to find your caucus location. Run to be a delegate or alternate to your local Republican Party Unit Convention

**2. Attend your local Party unit convention in February/March**

(Time Commitment: 3-4 hours) If you are elected to be a Precinct Caucus Delegate or Alternate, you should receive information about the date and location at the precinct caucus. At this convention you can run to become a delegate or alternate to the Congressional District and State Conventions.

There will also be an endorsing convention for Minnesota House and Senate District Representatives. (Time Commitment: 2-3 hours) This meeting will generally be in February-April. You will endorse the most conservative candidate possible for MN House and MN Senate.

**3. Attend your Congressional District Convention in April/May**

(Time Commitment: 4-5 hours) This is the convention where your Congressional District Representative is endorsed. Again- you will be voting to endorse your federal rep to Congress.

**4. Attend the State Convention the last weekend in May**

(Time Commitment: 10-15 hours over 2 days) At this convention, you will vote to endorse the Governor, Attorney General, Secretary of State, State Auditor and the United States Senator.

Thanks to the 10K Chapter of the MN federation of Republican Women for creating infographics on precinct Caucus that can be found at this link: [10K Lakes Chapter MN Federation of Republican Women](#)

WE WILL WIN IN 2026  
IF WE ALL DO OUR PART

In Liberty,  
**Royce White**  
U.S. Senate 2026
